WHO'S TO BLAME? **GUNS *OR*** **PEOPLE?**

With gun bans looming across the country, and London and the UK beginning knife control, you need to stay aware of any traction legislation may receive in Congress as well as in your home state.

In this episode of Analysis Behind the News, we look at why government focuses on legislating the object instead of the person doing the crime.

Action Item #1: Tell Congress and President Trump to stop the Federal Assault Weapons Ban of 2018.
