

The John Birch Society

Author: [CSpoehr](#)

Date: July 2, 2012

In this weekly video news update for July 2 - 8, 2012, JBS CEO Art Thompson discusses: how the ObamaCare health care reform would be a giant step toward socializing America and therefore must be repealed; how ObamaCare would enable merger of the U.S. with Canada and its socialized health care system as part of the overall North American Union merger of the U.S., Canada, and Mexico; Mexico's new PRI government; and China's announcement that the BRICS coalition will be funding the IMF.
