MANDATORY VACCINES COMING?

The current hysteria of COVID-19, the Wuhan virus, certainly has helped to shine a spotlight on what is wrong with this country. Namely that many think your rights mean nothing in a so called emergency.

In a rather bizarre interview, Alan Dershowitz matter-of-factly asserted that the government has the power to vaccinate you against your will. We'll look at his claim to see if it passes Constitutional scrutiny in this episode of Analysis Behind the News, where we provide the perspective that you can use to restore American liberty and independence.
