JBS CEO Art Thompson's weekly news video update for Dec. 7 - 13, 2015.

In this week's Analysis Behind the News video, JBS CEO Art Thompson discusses what treason is; and how two aspects of the Trans-Pacific Partnership agreement constitute treason against the United States: (1) TPP proponents claim the TPP will counter China's influence in the Asia Pacific while the preamble to the TPP agreement declares that the TPP will encourage the addition of other nations to the TPP, "in order to ... create the foundation of a Free Trade Area of the Asia Pacific," which would most likely include China; and (2) the TPP agreement provides for the TPP Commission to take control of Obamacare away from Congress.
