FRAUD EVIDENCE BUILDS

Trump: Big Things Coming in Next Few Days

At the White House on Monday, President Trump told reporters that big things were happening over the next couple of days. He didn't discuss it further, but once again did assert that the election was stolen from him.

Since Tuesday (today) is known as the Safe Harbor day for election conflicts to be worked out, Sidney Powell who has helped the Trump legal team, has helped to clarify by saying in an interview with Newsmax that "with the fraud case, the December 8 deadline doesn't apply."

She suggested that there's still time for Trump to overturn election results. And now with Trump's announcement, we'll take a closer look at this in this episode of Analysis Behind the News, where we provide the perspective that you can use to restore American liberty and independence.
