TRUMP *BLASTS* SCOTUS

Late last week, President Trump came out swinging against the U.S. Supreme Court, after its latest ruling against the Trump administration. In less than a week, the Court had delivered two opinions that went contrary to conservative principles, although the so-called conservatives outnumber the others 5 to 4.

We'll look at what Trump deemed a "shotgun blast to the face of conservative voters" in this episode of Analysis Behind the News, where we provide the perspective that you can use to restore American liberty and independence.
