The phrase “the New Normal” should be to Americans the equivalent of clawing your fingernails across a chalkboard. Yet, for many, the term is embraced and used as an excuse to bludgeon others who either will not or cannot follow these edicts against common sense.

The John Birch Society predicted this decades ago. No, not the pandemic or the masking up ordeal, but the encroachment of unconstitutional government that has led to such tyranny and to the depths of such election rigging.

We’ll look at this progression and boil it down into what it means for America and more importantly, what you can do about it, in this episode of Analysis Behind the News, where we provide the perspective and the plan to help restore American liberty and independence.
