

The John Birch Society

Author: [CSpoehr](#)

Date: April 23, 2012

In this “second analysis” video news update for April 23-29, 2012, JBS CEO Art Thompson discusses how the Norwegian mass murderer gave the communist salute in his news photo; how Argentina is “seizing” its oil industry; how Ford is building its fifth car factory in China, which is in a long tradition of the U.S. government and industries building up industry in communist countries; how the Transportation Security Administration (TSA) is ratcheting up surveillance of American travellers; how ObamaCare will cost much more than we were told at the time of passage; and how the state of Illinois is using threats to cut healthcare benefits to scare taxpayers into accepting higher taxes.
