

The John Birch Society

Author: [CSpoehr](#)

Date: January 30, 2012

In this weekly video news update for January 30 - February 5, 2012, JBS CEO Art Thompson discusses how the U.S. government and the Council on Foreign Relations (CFR) are continuing their long-standing strategy of creating conflicts around the world; he also discusses evidence from a 1945 issue of Life magazine that Franklin Delano Roosevelt (FDR) knew that Japan would attack Pearl Harbor.
