JBS CEO Art Thompson's weekly news video update for Sept. 28 - Oct. 4, 2015.

In this week's Analysis Behind the News video, JBS CEO Art Thompson discusses how the EU is preventing its member states from controlling their borders in the face of the unprecedented migration from the Middle East into Europe; how Marxist and communist officials within the UN refugee resettlement program are working with U.S. officials to resettle large numbers of migrants in the U.S.; how these refugees will not be vetted; and how Congress must stand up and do something about this situation.
