JBS CEO Art Thompson's weekly news video update for Nov. 30 - Dec. 6, 2015.

In this week's Analysis Behind the News video, JBS CEO Art Thompson discusses what's going on in the Middle East is a charade to help build the New World Order; how a grand coalition to fight ISIS is being talked about in the media; how President George H.W. Bush called for a New World Order in his administration's National Security Strategy in August 1991; how there are all sorts of videos on YouTube showing President Bush calling for a New World Order; how Bush signed a partnership agreement with Russia in June 1992; how Putin is now blaming the U.S. for not participating in a coalition to fight ISIS; how George W. Bush in 2003 signed a joint declaration with Putin about the new strategic relationship between the U.S. and the Russian Federation; and how arming the Kurds is not a good idea.
