VACCINE CHECKERS COMING?

Vaccine Checkers Knocking on Your Door?

When the White House announced the idea of door-to-door visitations in relation to helping Americans overcome their vaccine hesitancy, pushback was immense from those concerned about what that would mean to our liberties, especially privacy and the proper role of government.

Last week the federal Health & Human Services secretary suggested that it was absolutely the government's business to know who gets vaccinated.

We'll look at this disturbing claim and make you aware of where it's already implemented in today's episode of Analysis Behind the News, where we provide the perspective and the plan to help restore American liberty and independence.
