

The John Birch Society

Author: [CSpoehr](#)

Date: March 20, 2017

Can socialists better manage an economy than the free market? We only need to look to Venezuela for the answer. Yet, their Constitution guarantees the right to food through a secure national food supply. In this episode of Analysis Behind the News, we dig further into rights from government, instead of rights from God. What do you think we'll find?

Be sure to share this with all your friends and family and get involved in the JBS today!
