JBS CEO Art Thompson's weekly news video update for Nov. 17 - 23, 2014.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how ISIS is deliberately using beheadings to provoke a reaction in Americans to demand our military fight ISIS; how this is similar to the situation in George Orwell's book, "1984," of "perpetual war for perpetual peace"; how the international socialists want to move us into the mode of perpetual war to control us; how the same international socialists get us to use terms that are self-defeating, such as "free trade," "democracy," and "immigration," instead of the more accurate terms "merger," "republic," and "migration."
