JBS CEO Art Thompson's weekly news video update for June 16 - 22, 2014.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how the large-scale arrival of unaccompanied immigrant children at our southern border implies an organized effort; how neoconservative John McCain is more concerned about border security in the Middle East than at our own borders; and how the morals of a community determine the society of that community and that society will determine the system of government.
