JBS CEO Art Thompson's weekly news video update for Dec. 28, 2015 - Jan 3, 2016.

In this week's Analysis Behind the News video, JBS CEO Art Thompson discusses the massive Omnibus spending bill; its passage in Congress under Speaker Paul Ryan; and how it does not cut funding to Planned Parenthood, continues funding for both Obamacare and the refugee program, and also increases funding to the International Monetary Fund (IMF). Via monetary manipulation, the IMF has destroyed the economies of countries such as Argentina, enabling the communists (former Argentine President Cristina Fernández de Kirchner) to come to power.
