JBS Director of Communications Bill Hahn with the JBS weekly news video, Oct. 19 - 25, 2015.

In this week's Analysis Behind the News video, JBS Director of Communications Bill Hahn discusses how in the recent Democratic presidential debate former Secretary of State Hillary Clinton exclaimed that her campaign is in stark contrast with Republicans running for president; how graphs of government spending and national debt increases show that both parties have cooperated in bringing about rapid increases in government spending in recent decades; how neither party takes the Constitution seriously; how voters can help turn this situation around by supporting local, state, and congressional candidates that will obey the Constitution; and how the Trans-Pacific Partnership (TPP) may not be voted on until the 2016 lame-duck session.
