COMMUNISTS WINNING ELECTIONS?

While the media is focusing our attention on the coronavirus, the 2020 Presidential election is receiving less attention. That may be a welcome respite for many of us, but while China grasps with a sinking economy amidst the coronavirus in their home country, how many of us are aware that Chinese organized groups and their supporters are working to manipulate U.S. elections?

In fact, they've already started winning elections. We'll look at the latest report from The New American magazine in this episode of Analysis Behind the News, where we provide the perspective that you can use to help save American liberty and independence.
