JBS CEO Art Thompson's weekly news video update for December 10 - 16, 2012.

In this week's analysis behind the news, JBS CEO Art Thompson discusses: How the U.S. is both helping build up al Qaeda and working to destroy al Qaeda; how are Kurdish forces building up their military force in Northern Iraq; China buys up A123 (which is an American battery manufacturing company with products for hybrid cars and the U.S. military); and the Coalition for Fiscal and National Security's support for a deal to avoid the "fiscal cliff."
