JBS CEO Art Thompson's weekly news video update for May 19 - 25, 2014.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how marijuana use has been cited in connection with fatal car crashes in Colorado, where marijuana has been legalized recently; how the widespread use of the hammer and sickle image on flags and buildings in Russia and as a background for speeches by Putin is a clue that the Communists still control Russia and the nations of the former USSR; and how, due to UN treaty provisions, most of the American planes that are capable of delivering nuclear bombs are B-52s that date from the 1950s.
