Another week and another opportunity for Congress to kick the can, also known as the budget, down the proverbial road. What do you think they will do? Will they recognize that they have a responsibility to exercise fiscal sanity? Or will they continue to do what every other session of Congress has done, which, of course, is to ignore the Constitutional limitations of the federal government and continue to fund its many unconstitutional agencies and programs?

We dig into balancing the budget on this episode of Analysis Behind the News. Be sure to share this with all your friends and family. Get involved in the JBS today!
