Imagine being harassed and receiving death threats to change your vote. That's what many of the electors in the Electoral College have reported. Yet why is that, if the Left stands for tolerance and non-violence? Weren't they concerned about acceptance of the election results?

Join us for our next weekly installment of "Analysis Behind the News." We also look at the connection between those looking to change the election and looking to rewrite the Constitution via an Article V or Constitutional Convention. Be sure to share this with all your friends and family and get involved in the JBS today!
