When the Establishment has little good to say about some of Trump's appointments, it can't be too bad of a thing. Is it? While there are definitely challenges, we should remain optimistic about the new administration. But that doesn't mean we disengage.

Join us for our next weekly installment of "Analysis Behind the News." This week we tackle relations with China and trade. Be sure to share this with all your friends and family and get involved in the JBS today!
